Course overview

The consolidation path. Students build on Novice 1: addressing people by name and title, whānau relationships (tuakana–teina, a and o, tokohia), describing people and things, dates and birthdays, where people are from, telling the time, and the expressions that keep a conversation going. Students should be secure in Novice 1 content.

Teacher focus

Link te reo with the cultural values it carries. Help students notice how language varies across hapū, iwi and rohe. Show how values such as manaakitanga and whanaungatanga shape behaviour and relationships, and present te reo Māori as a living expression of identity, community and connection.
