Matariki is a cluster of stars that rises in the early morning sky in June or July. Its rising marks **te tau hou Māori** (the Māori New Year). There are nine stars, and each is linked to part of the world: kai from the land, sea and sky, water, rain, wind, the people we remember, and our wishes for the year ahead. Matariki has been a public holiday in Aotearoa since 2022.

Ngā whetū o Matariki · the nine stars

Many place names in Aotearoa are built from smaller words. If you know the parts, you can often work out the meaning. Names can also remember an event or an ancestor, so not every name translates word by word. Local iwi are the experts on the stories behind their names.

Kupu / Word bank: wai = water · roto = lake · maunga = mountain · motu = island · awa = river · nui = big · iti = small · roa = long · tapu = sacred · wera = hot · one = sand, beach · puke = hill · whanga = harbour, bay · rua = two

How to decode: worked examples

Place name	Parts	Meaning
Rotorua	roto + rua	second lake
Wainui	wai + nui	big water
Aotearoa	ao + tea + roa	long white cloud

The two main islands: Te Ika-a-Māui is the North Island. Te Waipounamu is the South Island. (Hint for Part B: three places are in each island.)

Place	Te Ika-a-Māui	Te Waipounamu
Rotorua		
Kaikōura		
Taupō		
Ōtautahi		
Whanganui		
Aoraki		

Ara 1 · Write the te reo word.

Ara 3 · Invent a te reo name for a place at school (the field, library, canteen …) using the word parts. Explain it in te reo: Ko … te ingoa, nā te mea he …

Everyone: design an imaginary island. Draw it and give six places te reo names made from the word parts (e.g. Rotoroa = long lake).

Whakataukī are proverbs passed down through generations. They use images from nature and everyday life (food baskets, birds, mountains) to share values such as working together, aiming high and caring for people. Read each one aloud quietly, then read its meaning.

Ngā whakataukī

Whakataukī	Meaning
Nāku te rourou, nāu te rourou, ka ora ai te iwi.	With your food basket and my food basket, the people will thrive.

Whāia te iti kahurangi; ki te tuohu koe, me he maunga teitei.	Seek the treasure you value most; if you bow your head, let it be to a lofty mountain.
Mā te huruhuru te manu ka rere.	Adorn the bird with feathers so it can fly (support people so they can succeed).
Ehara taku toa i te toa takitahi, engari he toa takitini.	My strength is not that of one person, but of many.

A **marae** is a meeting place for a whānau, hapū or iwi. The **marae ātea** is the open space in front of the **wharenui** (meeting house), where speeches are made. The wharenui often stands for an ancestor: the **tekoteko** is the head, the **maihi** (bargeboards) are the arms, the **tāhuhu** (ridgepole) is the backbone and the **heke** (rafters) are the ribs. Tikanga (customs) can be different at each marae: the tangata whenua (hosts) decide.

The pōwhiri: welcoming manuhiri (visitors)

Step	What happens
1 · At the waharoa	Manuhiri gather at the entrance and wait to be called on.
2 · Karanga	A woman of the tangata whenua calls the manuhiri on; a woman of the manuhiri replies.
3 · Whaikōrero	Speeches by each side; a waiata follows each speech.
4 · Koha	The manuhiri place a gift on the ground.
5 · Hongi and harirū	Everyone presses noses and shakes hands. The manuhiri and tangata whenua are now one.
6 · Kai	Sharing food together completes the welcome.

Some common tikanga: take your shoes off before going into the wharenui · do not sit on pillows or tables · do not eat or drink inside the wharenui.

Mahi · Do · Step 3: Everyone parts first, then your Ara section

Part A · Match each part of the marae to its meaning.

waharoa	• •	dining hall
marae ātea	• •	the carved figure at the top: the head
wharenui	• •	entrance; gateway
wharekai	• •	the ridgepole: the backbone
tekoteko	• •	open space where speeches are made
tāhuhu	• •	meeting house

Part B · Number the steps of the pōwhiri in order (1–6). Try it from memory first, then check with Ako · Learn.

Step	Order
Hongi and harirū (pressing noses, shaking hands)	
Karanga (the call of welcome)	
Kai (sharing food)	
Whaikōrero (speeches), each followed by a waiata	
Manuhiri gather at the waharoa	
Koha (a gift) is placed on the ground	

Part C · True or false? Write T or F.

1. You take your shoes off before going into the wharenui. _____
2. It is fine to sit on pillows. _____
3. Manuhiri are the visitors. _____
4. Every marae has exactly the same tikanga. _____

Ara 1 · Write the English.

1. manuhiri _____
2. tangata whenua _____
3. wharenui _____
4. wharekai _____
5. koha _____

Ara 2 · Choose three steps of the pōwhiri. For each, write what happens and why you think it matters.

Ara 3 · Write 4–5 sentences (te reo or English with te reo kupu) explaining why tikanga on the marae matter. Use Ki tōku whakaaro, … nā te mea …

Everyone: draw a marae. Label the waharoa, marae ātea, wharenui and wharekai, and the tekoteko, maihi and tāhuhu on the wharenui.
