Ngā kararehe: native animals fact file

Relief lesson · all levels · self-directed. Follow the four steps below.

Ngā mahi · How this lesson works (60 minutes)

- *Step 1 (5 min) · Write your name. Find your level: Ara 1 = Novice 1, Ara 2 = Novice 2, Ara 3 = Novice 3. Not sure? Start at Ara 1 and keep going when you finish.*
- *Step 2 (10 min) · Read the **Ako · Learn** section below. Say the te reo words quietly to yourself or a partner.*
- *Step 3 (35 min) · Do the **Mahi** section: Parts A and B, then your Ara section, then the fact-file card. Stuck? Look back at Ako · Learn or ask a partner.*
- *Step 4 (10 min) · Kōrero: show your fact-file card to a partner and teach them two facts and the te reo name. Then choose a "Finished early?" task at the end.*

Ako · Learn · Step 2 (10 min): read this first

Aotearoa has many animals found nowhere else in the world. Some native birds cannot fly. To describe an animal, use **He** + describing word + **te** + animal: **He iti te pīwakawaka** (The fantail is small). **He manu te tūī** (The tūī is a bird).

Ngā kararehe taketake · native animals

Te reo	English	Facts
kiwi	kiwi	cannot fly; comes out at night; nostrils at the end of its long beak
tūī	tūī	black with a white tuft at its throat; sings and drinks nectar
kea	mountain parrot	cheeky, clever parrot of the South Island mountains
kākāpō	night parrot	the heaviest parrot in the world; cannot fly; green
kererū	wood pigeon	big green and white bird; spreads the seeds of forest trees
ruru	morepork (owl)	small brown owl that hunts at night
pīwakawaka	fantail	small bird with a fan-shaped tail; follows people
weka	weka	brown bird that cannot fly; curious and bold
tuatara	tuatara	a reptile from a very old family line, not a lizard
pekapeka	bat	our only native land mammals; fly at night

Kupu / Word bank: manu = bird · rere = fly · ngahere = forest · pō = night · nui = big · iti = small · kākāriki = green · parauri = brown · pango = black · mā = white

Mahi · Do · Step 3: Everyone parts first, then your Ara section

Part A · Match each animal to its fact.

kiwi	• •	our only native land mammal
kea	• •	a heavy parrot that cannot fly
kākāpō	• •	an owl that hunts at night (morepork)
tuatara	• •	a reptile from a very old family line
pekapeka	• •	a cheeky parrot of the mountains
ruru	• •	a bird with nostrils at the end of its beak

Part B · Sort the animals: kiwi, tūī, kea, kākāpō, pekapeka, ruru, kererū, weka, pīwakawaka.

Can fly	Cannot fly

Ara 1 · Write the te reo name.

1. fantail _____
2. wood pigeon _____
3. bat _____
4. morepork _____
5. bird _____
6. forest _____

Ara 2 · Sentence starters

- *He manu te … (The … is a bird.)*
- *He iti / nui te … (The … is small / big.)*
- *He kākāriki / parauri / pango te … (The … is green / brown / black.)*
- *Kei te ngahere te … (The … is in the forest.)*

Ara 2 · Write four sentences about two animals.

Ara 3 · Write a fact file in te reo for one animal: what it is, its colour and size, where it lives, what it eats, and why it is special (He mea motuhake nā te mea …).

Everyone: make a fact-file card for your favourite animal: draw it, give its te reo name, and write three facts.

Finished early? *Make a second fact-file card · Write a short story about a kiwi at night · Make a quiz of five questions about native animals for a partner*
