Course overview

The entry path. Students learn the sounds of te reo Māori and te arapū, greet and introduce themselves and others, talk about whānau, numbers, age, places, days and months, classroom objects and what people are doing now. Karakia are learned early and used every lesson.

Teacher focus

Link te reo with the cultural values it carries. Help students notice how language varies across hapū, iwi and rohe. Show how values such as manaakitanga and whanaungatanga shape behaviour and relationships, and present te reo Māori as a living expression of identity, community and connection.
