WHS - YEARS 9–10 TE REO MĀORI - COMBINED CLASS (NOVICE 1, 2 & 3) - UNIT PLAN - 2027

Year Level	Years 9–10 (mixed proficiency)	**Term**	Terms 1–4 (one wāhanga per term)	**Duration**	60 lessons (19 combined core + 10 Hokia + 8 waiata/haka + 11 practical + 8 project + 4 check-in/assessment). 2 lessons a week.
Topic/ Strand/ Concept/ Context	Learning Languages · Te Reo Māori Novice 1, 2 and 3 taught together in one class (Ara 1, Ara 2, Ara 3) · Context: who I am, my whānau, my place and our school community				
Overview *(description)*	Sixty lessons for one class with all three paths. The sequence follows Novice 1. In every core lesson the whole class learns the Novice 1 content; then Ara 2 (Novice 2) learns a matched Novice 2 lesson at the front, while Ara 1 practises and Ara 3 (Novice 3) works independently from its own Novice 3 lesson. Every lesson has three worksheets, one per path. Practical sessions and waiata and haka are shared, with Ara 3 students as leaders (kaea). Ara 2 and 3 students cover every core lesson, check-in and assessment of their own course; projects run in parallel with a different project for each path.				
Purpose *(what is the point?)*	To grow confident, respectful speakers of te reo Māori at their own proficiency stage, so every student can greet, introduce themselves and their whānau, exchange everyday information and take part in karakia, waiata and haka, while understanding the tikanga and values the language carries. Students move between paths when they are ready, and tuakana–teina makes the class stronger together.

Assessment

How will I determine my learners prior knowledge? (before)	How will I determine my student's progress in learning? (after)
Whole class activity: Lesson 1 greeting circle and "how many ways do you greet people?" hook, watching who can greet, introduce and count confidently. **Individual activity:** Short placement kōrero (greet, introduce yourself, say your age, count to ten) and a quick vowel and macron check, used with previous reports to place each student in Ara 1, 2 or 3. Review placement after Check-in 1.	**Assessment:** Lesson 15 Check-in 1 (all paths); Lesson 26 Mid-course check (all paths); Lesson 40 Check-in 2 (all paths); Lesson 59 Final assessment: Ko wai au? (all paths). Each path sits its own version. Judgements use the course rubrics and the five progress descriptors: Emerging, Developing, Consolidating, Proficient, Exceeding. **Whole class activity:** Review stage of every lesson; waiata and haka performances; practical sessions (role-plays, market day, hosting manuhiri); Hokia lessons revisiting each run of lessons.

	Individual activity: Path worksheets each lesson, exit questions, Te Reo Wero kēmu results and certificates, and project products (plan, draft, make, present).

Lesson 7 [KŌRERO + WORKSHEET] **Karakia for different purposes + Manaakitanga** **LI Ara 1:** We are learning to participate respectfully in karakia and to know why different karakia are used. **LI Ara 2:** We are learning to welcome and host visitors in te reo, showing manaakitanga. **LI Ara 3:** We are learning singular and plural relational particles in the a and o categories.	**Knowledge** Ara 1 (N1.9): Different karakia serve different purposes: opening and closing a gathering, supporting learning, protection, wellbeing, acknowledging the environment. Karakia are heard at marae, at school and in other settings. Karakia predate the arrival of Christianity in New Zealand, and many are meditative rather than religious. Religious prayers can be called inoi and are used only in appropriate settings. Learning karakia takes time and regular practice.	**Practices** Participate respectfully in karakia for different purposes. · Use names and terms of address with greetings and farewells; use formulaic expressions. · Communicate about relationships using relational particles. **Success:** I can recite our class opening and closing karakia; I can explain two different purposes of karakia; I can welcome manuhiri with Nau mai, haere mai.	**Strategies, activities, tasks:** **Connect:** Whole class. Karakia tīmatanga led by an Ara 3 student. Hook: ask students where they have heard karakia (marae, school, sport, home, events). Do not perform karakia as a demonstration only; begin the lesson with a real karakia tīmatanga. **I Do:** Whole class: Explain the purposes of karakia using the slide. Explain that karakia predate Christianity and many are meditative; religious prayers can be called inoi. Teach the leading phrases: "Kia karakia tātou", "Tākina te karakia", "Ko ___ te karakia". Teach the opening and closing karakia line by line. Then Ara 2 at the front with the teacher (Ara 2 slides): Explain manaakitanga and mana.
