Matariki is a cluster of stars that rises in the early morning sky in June or July. Its rising marks **te tau hou Māori** (the Māori New Year). There are nine stars, and each is linked to part of the world: kai from the land, sea and sky, water, rain, wind, the people we remember, and our wishes for the year ahead. Matariki has been a public holiday in Aotearoa since 2022.

Ngā whetū o Matariki · the nine stars

Whetū (star)	Connected to
Matariki	health and wellbeing
Pōhutukawa	those who have died
Tupuānuku	food grown in the ground
Tupuārangi	food from trees and birds
Waitī	fresh water and its food
Waitā	the ocean and its food
Waipunarangi	rain
Ururangi	the winds
Hiwa-i-te-rangi	wishes for the year ahead

Three ways to celebrate: Remember those who have died since last Matariki · **Celebrate** by sharing kai with whānau and friends · **Look ahead** by making wishes and plans for the new year.

Kupu / Word bank: whetū = star · tau hou = new year · rangi = sky · kai = food · wai = water · hau = wind · ua = rain · wawata = wish, hope · maumahara = remember
