Āta whakarongo: vowel length

Long vowel = tohutō. Short vowel = no tohutō.

1. Each is written the way a learner said it. Write it correctly.

Learner said	Correct
kee-a ora	
tena koe (short e, short a)	
morena (short o)	
apopo	

2. Add tohutō where needed.

1. Ata marie
2. Kei te pehea koe?
3. Hei apopo, e hoa
4. Nga mihi o te ata

3. Why does vowel length matter? Give an example where the meaning changes.
