NOVICE 2 · N2.2

SET UP

WHAT WE ARE LEARNING

We are making a three-level whānau tree by weaving strips, and labelling it in te reo.

SUCCESS CRITERIA

- I can label three generations in te reo
- I can explain how whakapapa connects people
- I can use a and o when talking about my tree

Mokopuna
Grandchild

SESSION

How it works

Follow the steps

1. Three colours = three generations
2. Weave the strips
3. Label names and relationships in te reo
4. Explain your tree to a partner

SESSION

Your task

Book Weave and label your whānau tree.

Kōrero Explain it with a and o.
