WHAT WE ARE LEARNING · THREE PATHS

Ara 1 · Novice 1

We are learning to pronounce ng, r, t and wh, and to notice how dialects differ between iwi and regions.

- I can say ng, a tapped r, soft and aspirated t, and wh
- I can read syllable drills aloud
- I can give one example of a dialect difference

Ara 2 · Novice 2

We are learning to use terms of address and titles in greetings, for one person or a group.

- I can greet someone with a term of address (e hoa, e hine)
- I can make a term of address plural with “mā”
- I can greet groups and people with titles using “e te” and “e ngā”

Ara 3 · Novice 3

We are learning what whakataukī and whakatauākī are, and how metaphorical language carries values.

- I can explain the difference between whakataukī and whakatauākī
- I can explain the meaning of two whakataukī
- I can link a whakataukī to a value

Where do you hear “ng” in English?

- singer · bringing · Singapore
- Can you start a word with it?

I DO

Four tricky sounds

ng

as in singer:

ngā

,

ngeru

r

tapped, not rolled:

rangi

t

soft before a e o · aspirated before i u

wh

usually like English “f”:

whare

I DO

Mita: dialects differ

Iwi or region	Feature	Example
Ngāi Tahu	k replaces ng	Kāi Tahu · kāika
Tūhoe	ng becomes n	nā (for ngā)
Taranaki	h often dropped	Whanganui → “Wanganui”
Ngāpuhi	w often dropped	whakarongo → “hakarongo”

I DO

Mita around the motu

- **Ngāpuhi:** w often dropped (hakarongo)
- **Tūhoe:** ng → n
- **Taranaki:** h often dropped
- **Ngāi Tahu:** k for ng (Kāi Tahu)
- **Our rohe:** ask mana whenua

I DO

Our rohe

- Which iwi and hapū are mana whenua here?
- What features does their mita have?
- Teacher: add local examples here

We are learning to use terms of address and titles in greetings, for one person or a group.

Ara 2 group with the teacher. Ara 1: start the worksheet or the kēmu. Ara 3: your own lesson on a device.

ARA 2

I DO

Terms of address

e + term (fewer than 3 vowels) · **mā** after = plural

e hoa friend	**e tama** boy	**e hine** girl	**e kui** elderly woman
e koro elderly man	**e tama mā** boys	**e hine mā** girls	**ākonga mā** students

ARA 2

I DO

Titles and groups: e te / e ngā

One	More than one
Kia ora, e te whānau	Tēnā koutou, **e ngā** manuhiri
E te tumuaki, tēnā koe	**E ngā** kaiako, tēnā koutou

ARA 2

I DO

Hoa is for everyone

- Calling someone **hoa** does not mean they must be your close friend
- It is a widely used, friendly term in te ao Māori
- Calling someone **kui** or **koro** is respectful, not rude
