WHAT WE ARE LEARNING

We are learning the seasons and how the maramataka guides activities.

SUCCESS CRITERIA

- I can name the four seasons
- I can ask what season it is
- I can explain what the maramataka is and how it guides planting, fishing and harvesting

CONNECT

Without a phone calendar, how would you know when to plant or fish?

I DO

Ngā wāhanga o te tau

Ko te aha tēnei wāhanga o te tau? · Ko te ngahuru.

raumati
summer · Tīhema–Pēpuere (Dec–Feb)

ngahuru
autumn · Māehe–Mei (Mar–May)

takurua
winter · Hune–Ākuhata (Jun–Aug)

kōanga
spring · Hepetema–Noema (Sep–Nov)

I DO

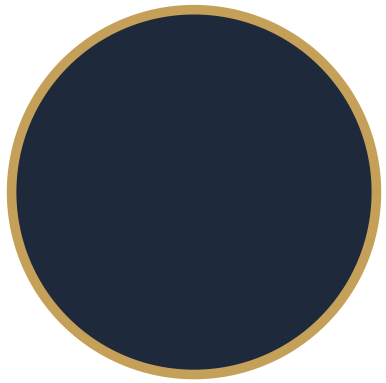

Te maramataka

- A traditional calendar tracking the **moon**, **sun** and **stars**
- Guides **planting**, **fishing** and **harvesting**
- Phases include **Whiro** (new moon) and **Rākaunui** (full moon)
- Maramataka **differ** between iwi and rohe

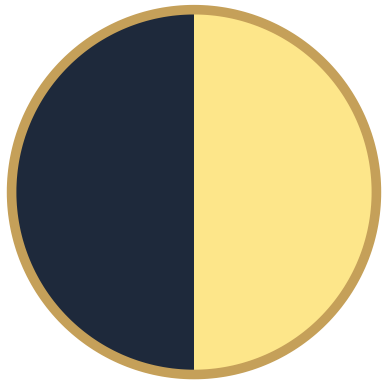

I DO

Moon phases guide activity

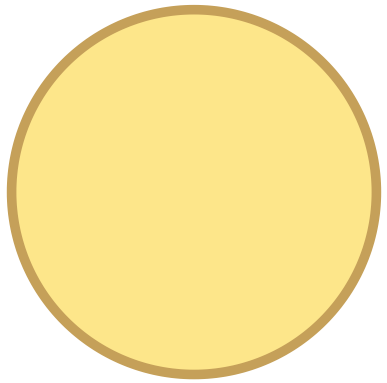

Whiro

new moon

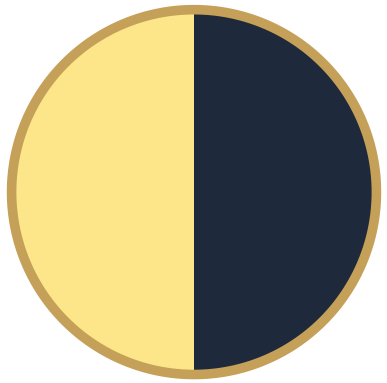

Tamatea

first quarter (approx.)

Rākaunui

full moon

Tangaroa

last quarter (approx.)

Phase names and their guidance differ between iwi.

I DO

Matariki and Puanga

- **Matariki** (the Pleiades) rises in **takurua** (winter)
- Marks the Māori New Year for many iwi
- Some iwi use **Puanga** (Rigel)
- A time to remember, celebrate and plan

YOU DO

Your task

Book Make a seasons wheel with te reo seasons, months and a maramataka activity.

Kōrero Ko te aha tēnei wāhanga o te tau?
